### **Love Like Gravity to Front for Kutless in Orlando, FL**

June 10, 2009 (Springdale, AR) Christian rock band, Love Like Gravity, is set for their first ever concert in Florida. A call came from Tim Wolf of Z88.3 in Orlando, FL letting the band know that their hit song "Dig" was one of the most requested songs in 2008. Tim says, "Dig is a song that we get e-mails and calls on the most and I'm looking forward to having the guys in town for the Kutless show." The band is scheduled to front for BEC/Tooth and Nail Recording Artist, Kutless and new INO Records band, Chasen, on June 21, 2009 at Journey Christian Church in Apopka, FL.

In the fall of 2008, LLG's hit single "Dig" debuted on Christian Radio Weekly's Global Rock chart at #1, where it stayed for 6 weeks. "Dig" remained in CRW's top ten for 24 consecutive weeks. LLG plans to continue recording very soon with producers Tony Palacios and Jim Cooper (Decyfer Down, High Flight Society, Building 429) in the near future.

Tickets may be purchased online for the June 21<sup>st</sup> concert by going to <http://creekviewconcerts.com>. Please remember to use the promo code "llg" when purchasing tickets. No doubt, this concert will be sold out, so you may want to purchase your tickets now before it's too late.
